

Newtown & Llanllwchaiarn Place Plan Survey

Place Plans were recently introduced by the Welsh Government, as a way of encouraging greater community engagement in local town planning decision making.

The Newtown & Llanllwchaiarn Place Plan presents an opportunity for local people, working together with the Town Council, to:

- Influence local town planning decisions
- Tell us your needs and aspirations for the town
- Identify solutions to issues, to help attract investment

For more information about the Place Plan or to complete an online version of this survey, visit www.newtown.org.uk/consultations/view/place-plan

In the meantime, we are looking for your views on what could be included in the plan.

We would be grateful if you could take ten minutes to complete the survey below. Your feedback will help shape the Plan.
